

The steps for registration for a new user that has never signed up inside the Jevin System before and has been asked to create a new user profile in our system.

Use the link provided to you by your organization to get to the login screen.

Start by clicking on the “Create New Account” located on the right side of the login page.

Welcome to Dan Sports

DAN SPORTS **HELP**

Returning Players, Coaches, and Game Officials
As a returning player or coach, you can link to your participation history which enables you to take advantage of registration options only available to returning players or coaches. If you know your login information, please enter it below.

User Name:

New Players, Coaches, and Game Officials
All new players and coaches need to create an account that will allow you to securely register, view/edit contact information, and view participation and payment history.

Contact for Assistance: sales@jevin.net
support@jevin.net

On the next page, choose ‘Skip’ button on the right, as we do not have any previous player data in the system to lookup.

Family Lookup

Little League

Has anyone in your family participated with Hinsdale Little League since MCYB Spring 2011 Super Series?
If family members have participated, the program can link you with them so that you can register as a family

Find Existing Account No one in my family has participated.

Add Family Member

If you have multiple participants in a family this is where you need to add (and link) family members together. Create another participant's profile by pressing "Add Family member" button.

This will bring up a dialog box to add a new user. Fill out all required fields and select "Insert" button to add the new user which will automatically link them to the other family member(s). This step can be repeated to add (and link) multiple family members.

Add New User

When all participating family members (player or coaches) have been added, simply step through the following steps to complete registration. You can now register and pay for all linked family members all at once.

Options – select the division for each participant and answer all questions for each registering participant. Note: If a participant is not registering with a league, select "None" under "Registration Type".

Guardians – enter guardians and contact information for all of the linked players

Volunteer – sign up to help

Donation – contribute to the fundraising programs

Payment – choose payment method

Confirmation – visible online and emailed to you This will complete your registration. Please note the Usernames and Passwords that you created for each participant, also note that they are both case sensitive.

This will complete your registration. Please note the Usernames and Passwords that you created for each participant, also note that they are both case sensitive. You can use that login as a current user at the login screen next time.
